Junior-Senior Banquet

CLASS HISTORY

Of the six members in the graduating class of 1950, there were two, Devona Zarecky and Donna Jacobsen, who began their school career in Verdi. Ivan Gilbert joined the class in the second grade, LaVonne Johnson in the sixth grade and Perry Vander Plaats in the eighth grade.

We started making our high school history in the fall of 1946 when thirteen freshmen were enrolled in VHS. Ivan Gilbert, Donna Jacobsen, Richard Johnson, Rhoda Knutson, Donald Otkin, Donald Henningsen, Devona Zarecky, Perry Vander Plaats, Louis Vande Voorde, LeRoy Whittrock, Laura Olson, Joyce Nielsen, and LaVonne Johnson were members of our class with Mrs. Soderlind acting as advisor. After being initiated by the seniors we were accepted as members of VHS. We entertained the high school to a skating party at Lake Benton. During the year we were sorry to see LeRoy Whittrock and Donald Otkin leave our class.

When we resumed our places in the assembly in 1947 we found that we had lost one member, Laura Olson. Later during the year, Rhoda Knutson, also left our midst. Mrs. Soderlind was our advisor again. Our class party was given December 14 when we went to a show in Pipestone.

Everyone came back for our busy junior year. We also welcomed one new member, Tony DeZeeuw. For our class party we went to the show, "So Dear To My Heart" in Pipestone.

After many weeks of practice we presented a comedy, "Anything Might Happen" on December 10 with a repeat performance on December 14. Our class rings arrived December 10th. The highlight of our junior year was the Jr.--Sr. banquet. Our theme, "Candlelight Reunion," was carried out in rose and white. During the latter part of the year Donald Henningsen left our class.

With our school days rapidly coming to an end we again returned to Verdi High to reach the goal we have worked for during our 12 years in school. Our class was reduced to six members, with one new boy, Lorin Van't Hull. We carried on the custom of initiating the freshmen doing many foolish things. We entertained the high school to a supper and later the show, "Calamity Jane," in Pipestone. Our class advisor again directed our play, "Babies Night Out." It was presented on April 14. The long awaited skip day proved to be worth waiting for. We attended the Ice Follies in Minneapolis and also visited many places of interest in the cities. We stayed at the Anthony Hotel from April 28 to April 30th.

To close the history for the class of '50 we attended Class Night, May 30th, Baccalaureate, May 28th, and Graduation, June 1st.

Our motto is "Ever Climbing to Success," our class flower, white rose, and our class colors are green and white.

On June 2nd, we came to school for the last time as seniors of VHS.

FRESHMAN CLASS HISTORY.

All excited and maybe slightly worried, twenty-one students entered the Freshman class of Verdi High School. Here many old and new faces greeted us. Highly welcome were additional members to our own class. Among these were found Mary Prunty, James Monk, Julius DeVriend, Melvin Erks and James Alberts.

Early the first week we had our first class meeting at which officers were elected. Lois Berkenpas was elected president; Marilyn Meyer, vice president; Fay Krause, secretary; Rosa Zarecky, treasurer; and Marilyn Meyer, reporter. Our class colors, blue and white, and our flower, the carnation, were chosen. Our motto, "Today we follow, tomorrow we lead" was also chosen.

It wasn't long after school opened that we began to hear rumors of that annual ritual which befalls all freshmen—Initiation! We were called into council with the Seniors, who told us what we had to say and wear.

When the great day finally dawned, bright and clear, we were all here, decked out in our holiday finery. The girls wore men's overalls and shirts, inside out and backwards, different colored socks, curlers, ribbons, but no make up. The boys wore skirts and blouses inside out and backwards, different colored socks, curlers, ribbons, and make up. Even though we had many fears about this day, the seniors were good sports and we had such a hilarious time that our fears were soon forgotten.

In December we gave the one-act Christmas play, "Merry Christmas in the Old Home Town." Clarent Vander Plasts played the leading role of Fanny, an embittered old widow who had returned to the home of her youth.

On March 23, we entertained the entire high school and faculty in the school gymnasium. After an evening of gay social games, refreshments were served in the lunchroom.

We are very proud of our financial record for the past year. Through candy sales in school and at games we have increased our class treasury to a sizable sum for future use.

We are all looking forward to our Sophomore year when we hope we will be able to continue our fine record of this past year.

May 29, 1950

Hi kids!

Well, another link has been added to our chain of high school years. Another year of joyful experience to jot down in our memory book. It seems almost impossible that we have already completed another one of our four short high school years. Let's glance back to the beginning of 1949 and review some of the memorable incidents.

The first thing, if you will remember was initiation of the freshman class. "Woe was them!" How they suffered! The pungent odor of onion tormenting them all day long and the futile efforts portrayed by them trying to walk on shoes with one low heel and one high one. After a day of unsufferable torment, the freshman with the rest of the high school went to a movie in Pipestone--"Calamity Jane".

The next ordeal was the high point of the year; our annual carnival. Everyone showed the genuine carnival spirit, and with everyone's co-operation, we managed to turn out a pretty good carnival. The highlight of the evening was of course, the crowning of the carnival king and queen. The honor was bestowed upon the candidates from the junior class--Donna Reinke and Donald Boll. Donald has been king for two years. He's a real ladies man.

We also had the talent show. Dale Einck, Marvin Jurgens, and Theresa Habenau tied for first place.

The next event was the giving of the Junior Class Play, "I Wouldn't Know". This was a hilarious three-act comedy of a lunatic house. Some very fine talent was unearthed as a result of the Junior's first production.

Of course, at two week intervals each student is presented with a copy of the school newspaper, "Verdi Voice". This includes grade news, news of high school classes, special events; and of course Katy's Korner. It manages to keep us pretty well informed about our school pals. The editor-in-chief is Devona Zarecky.

At the beginning of the year, we were organized in three groups for singing: girl's chorus, boy's chorus, and mixed chorus. We were under the direction of Mr. Hamilton. We made public appearance at the Verdi Grain Show.

All of the freshmen and sophomore girls were enrolled in Mr. Blum's phy-ed classess which were held each Wednesday and Friday. During the year we played basketball, archery, shuffle board, kitten ball, badminton, and rope jumping. Our tumbling team, composed of our more agile girls (which excluded most of us), put on a good performance at some of the home basketball games.

The Senior Class Play, "Babies Night Out" proved to be a howling success. People from far and wide came to see our might seniors portray their acting talent.

Something new was added this year! A Miss VHS contest, sponsored by Mr. Bradley. Out of the many girls entered Anastasia Kinney proved to be the most beautiful. As a prize she was awarded a beautiful formal given her by Geyermans in Pipestone.

Hi Kids,

Sports at Verdi got off to a good start this year with baseball for the boys and archery keeping the girls entertained. When the skies clouded up and snow fell the Versodians retreated to their winter grounds, the gym. Here calisthenics and tumbling occupied their time until the basketball season began for the boys. Following is the record of the team for the 1949-50 season:

11/29	Tyler B Team	26	Verdi	8	1/13	Ruthton	34	Verdi	29
12/2	Lake Benton	50	"	31	1/17	Russel	58	"	44
12/6	Lake Wilson	30	"	26	1/27	Holland	43	"	42
12/13	Ruthton	28	"	37	1/31	Lynd	57	"	30
12/16	Independents	36	"	32	2/3	Pipe. Indians	22	"	59
12/20	Holland	22	"	44	2/10	Russel	36	"	40
12/30	Lynd	43	"	41	2/14	Lake Wilson	25	"	18
1/10	Pipe. Indians	16	"	33	2/17	Lake Benton	57	"	20

After the close of the season some time was spent on basketball fundamentals, then the rest of the winter season was devoted to badminton, wrestling, and rope skipping. Meanwhile the girls were also playing badminton, basketball, and skipping rope as well as playing shuffleboard and tumbling. Tournaments were held in several activities. The Junior-Senior Benchwarmers won both the class tourney and defeated the All-Stars in basketball, Eldon and Dale were boys champs at badminton. In the girls Phy. Ed. class Marlys Knutson was archery champ, Dolores Jurgens won honors in tumbling, Dorothy Kuehl in basketball and in badminton Dorothy Kuehl and Joyce Theel took first place.

When the skies finally became sunny again after we had almost given up hope, it was the second week in May before spring really arrived, track, archery and more baseball kept us all in good spirits.

I talked to Coach Blumm about the basketball team and this is what he had to say about the first team boys:

Perry was always playing to the full extent of his ability. He was a good rebounder and had a good jump shot from the hole. He played his best games on our small floor. I especially liked his play in the second Russel game.

Fred was our best shot from the outside. I was very glad to see him get rebounds with the best during the last half of the season despite his height handicap.

Ralp was a good aggressive offensive guard by the end of the season. His ball handling was excellent in the tournament, where he played his best game.

Royal was deliberate while Ralph was aggressive making a good guard combination. Royal reached his peak in the second Russel game with an outstanding floor game.

Dee--slow, steady improvement is the story for Dee. It was a pleasure to watch him develop from game to game. He was a good versatile center by tournament time.

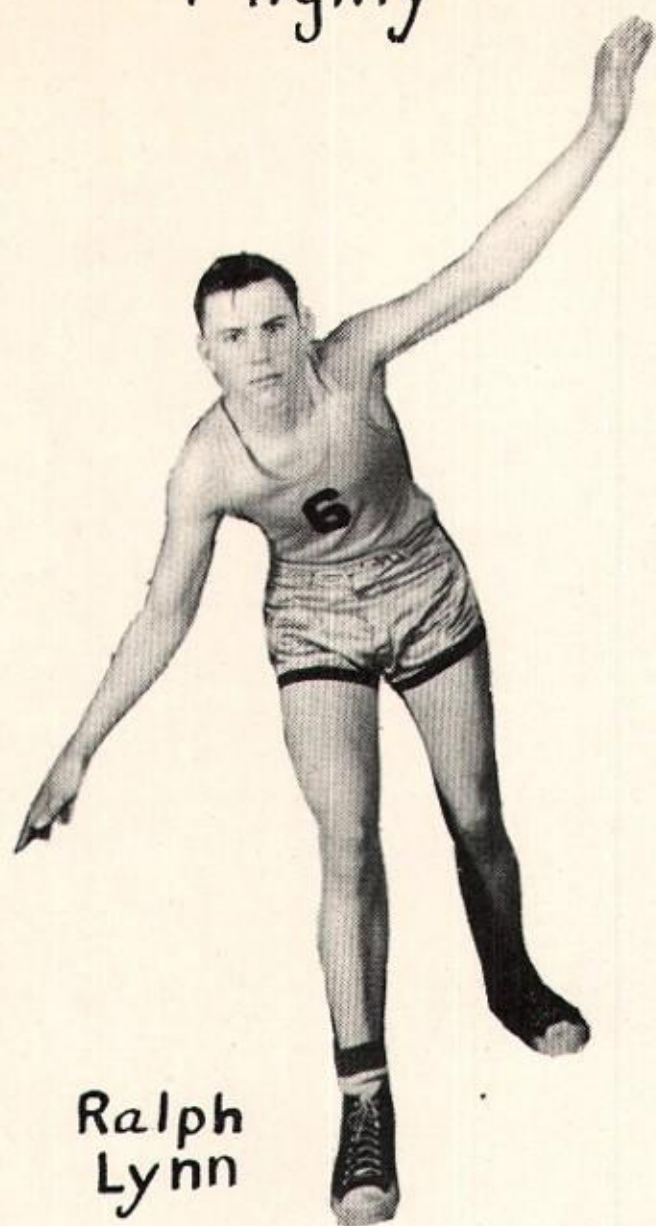

Dale was the team's outstanding rebounder on both boards. This plus his excellent team spirit, passing and shooting make him a valuable asset to the team.

Eldon made tremendous progress during the season, especially on floor play and defense. He developed an one hand shot that was virtually impossible to stop.

"The Toys That Had To Wait" - Operetta

Dear Mr. Hamilton,

This has been one of the highlights of my life. Thanks for giving me an opportunity to put out this annual.

Thanks for being such a wonderful Superintendent. The only regret I have leaving Verdi is that I will lose the personal satisfaction of being under your supervision.

I sincerely hope that someday I can reach some where near the wisdom, patience, and understanding of one of the most outstanding men I have ever had the privilege of working with. Thanks

Dear Reader,

again Mr. Hamilton for being so nice.

Best of luck always
Carl D. Bradley

I sincerely hope that you have enjoyed this 1950 Versodian. From this date on for the rest of your life this book will be a cheerful reminder of one year out of the lives of those connected with the Verdi School.

I have tried not to overlook any person connected with our school, if I have please forgive me, it was definitely not on purpose.

I wish to express my deepest thanks to the many who have worked hard to make this Versodian one of the best ever. The staff was well chosen and worked hard. Mr. Cumiskey's outstanding guidance and work with new typists is to be commended. My thanks goes to our Superintendent, Mr. Hamilton, for his patience and helpful guidance to me and the staff.

It has been wonderful working with a pleasant up and coming group.

The best of everything to you, the Versodians.

Sincerely,

Carl Bradley

Dear Mr. Hamilton,

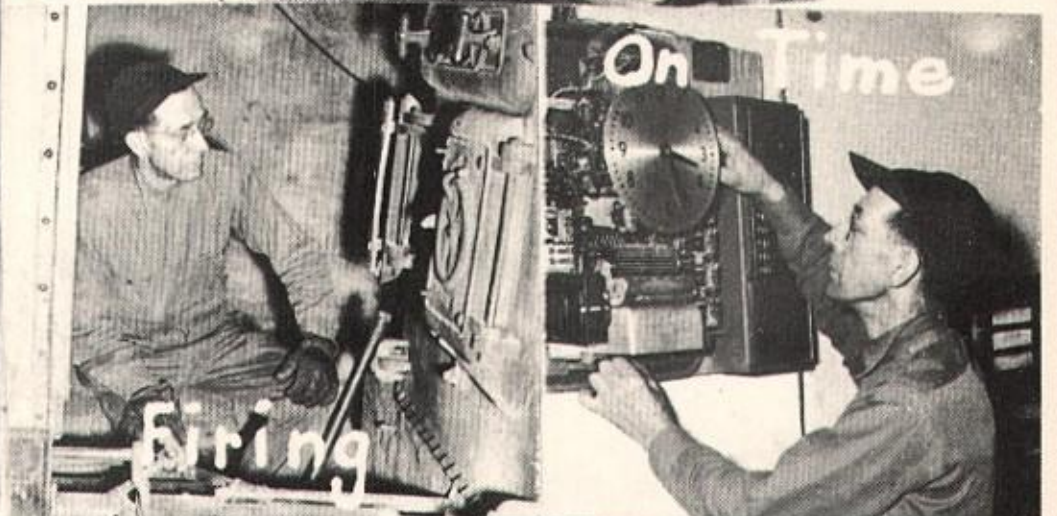

Greetings to a fellow Kansan. This year has been fun after all is said and done. And we enjoyed the picnics + fishing. Hope we have more. You folks have been very nice to us this year, and we appreciate it. Good luck in the future.

Joan Bradley

Dear Mr. Hamilton,

It has been a privilege to be one of
your teachers. Then, too, living in your
home and feeling like one of
your family means every thing
to a teacher. Thanks to you
and Mrs. Hamilton for all favors.
May every thing you folks
want come your way.

Sincerely,
Miss Anderson

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is written in dark ink on aged, slightly yellowed paper. The handwriting is fluid and somewhat slanted, characteristic of 18th or 19th-century cursive. The text is organized into several paragraphs, with some lines indented. The right edge of the page shows five dark, rectangular marks, possibly from a binding or scanning process.
